

Business advice and legal helpline

Get friendly, accessible and practical business advice from the Forum, supported by our legal protection insurance and 24/7 legal advice line.

Businesses that seek advice are more likely to succeed. With a membership with us you will get access to a team of experienced business advisers with expertise in everything from employment law, health and safety, finance to business planning and marketing.

Our in-house team are supported by a network of industry specialists, so whatever issue you are facing, we will help you find a solution.

We can help you with the following business issues:

✓ **Finance**

Reducing business costs, tax returns, improving credit rating and access to finance.

✓ **Legal**

Employment disputes, health and safety prosecutions, and tax enquiries.

✓ **HR**

Employment issues, redundancy and dismissal.

✓ **Health and safety**

Health and safety regulations, legal responsibilities and more.

✓ **Debt recovery**

Tracing debtors, collecting debts and dealing with insolvency.

✓ **Purchasing**

Best practice guidance, how to secure discounts and supplier monitoring.

✓ **Business development**

Advise and support.

✓ **Management and leadership**

Business planning and strategy, continuity and succession planning.

What's more, our tax, contract, employment and health & safety advice is backed up by comprehensive **legal protection insurance**.*

* Levels and areas of cover dependent on membership package.
